

Soldier of live

Don` t wanna know what i should do to get you on my side

I never live my life unreal there`s nothing i`ve to hide

Bridge: come on ist all a roundabout

We`ve got our hands for reaching out

I`m a man who`s fighting against all rules

We `ve living in a crowed

Ref Soldier of live ,just willing to survive

I`m the man who wants to fight , against the laws

Soldier of live ,just willing to survive

I`m the man who wants to fight , against them all

It`s just for me and you

I don` t want just a piece of cake, that`s not enough for me

I wanna grab just everything, to keep myself alive

Bridge: come on ist all a roundabout

We`ve got our hands for reaching out

I`m a man who`s fighting against all rules

We `ve living in a crowed
